SPONSORSHIP OPPORTUNITY

What would exposure and access to the largest female sport league in the Shire do for your bottom line?

How would promoting your product or service to the 6500+ members, their families and 24 affiliated clubs, help drive your revenue?

The opportunities are substantial from the thousands who attend Saturday games each week over three local locations (The Ridge – Barden Ridge, Seymour Shaw – Miranda, Bellingara Netball Courts – Miranda), to those attending development and holiday programmes, not to mention our elite franchise, Stingrays Premier League who play televised games at Netball Central, Homebush. We don't limit ourselves to a logo on a web page, we want to hear how we can partner with you to help grow your business and in return, give you the return of knowing that you are contributing to and sharing in the success of one of our most longstanding and successful local sports leagues.

There's nothing more important than fostering our local sports teams. The Sutherland Shire Netball Association provide sportspeople from 5 years of age a safe place to get physically active and make connections with their peers. However, we wouldn't be able to keep serving our members without important partners like you.

Our partnership is only a success if it delivers value for you. As part of our approach, we will build in metrics with you to gauge how our partnership is delivering.

If you would like to discuss this further, please do not hesitate to contact me by email:

Kind Regards,

Lisa Woodham.
